

The logo features a stylized white letter 'B' with a pixelated, digital effect on its left side, composed of several orange and white squares. To the right of the 'B' is the word 'bitby' in a lowercase, white, sans-serif font. The dot above the 'i' is a solid orange circle.

Bitby

2023

Presentation

BitBy is Cryptocurrency Based Online working platform that provides staking services globally for digital assets.

We believe in the ideology behind blockchain suggesting that technologies based on distributed ledger systems can help build foundational human trust, enhance transaction efficiency and have a positive influence on social and economic well-being.

BITBY will help you to achieve financial freedom and offers good passive earning opportunities with Biconomy Community.

About BitBy

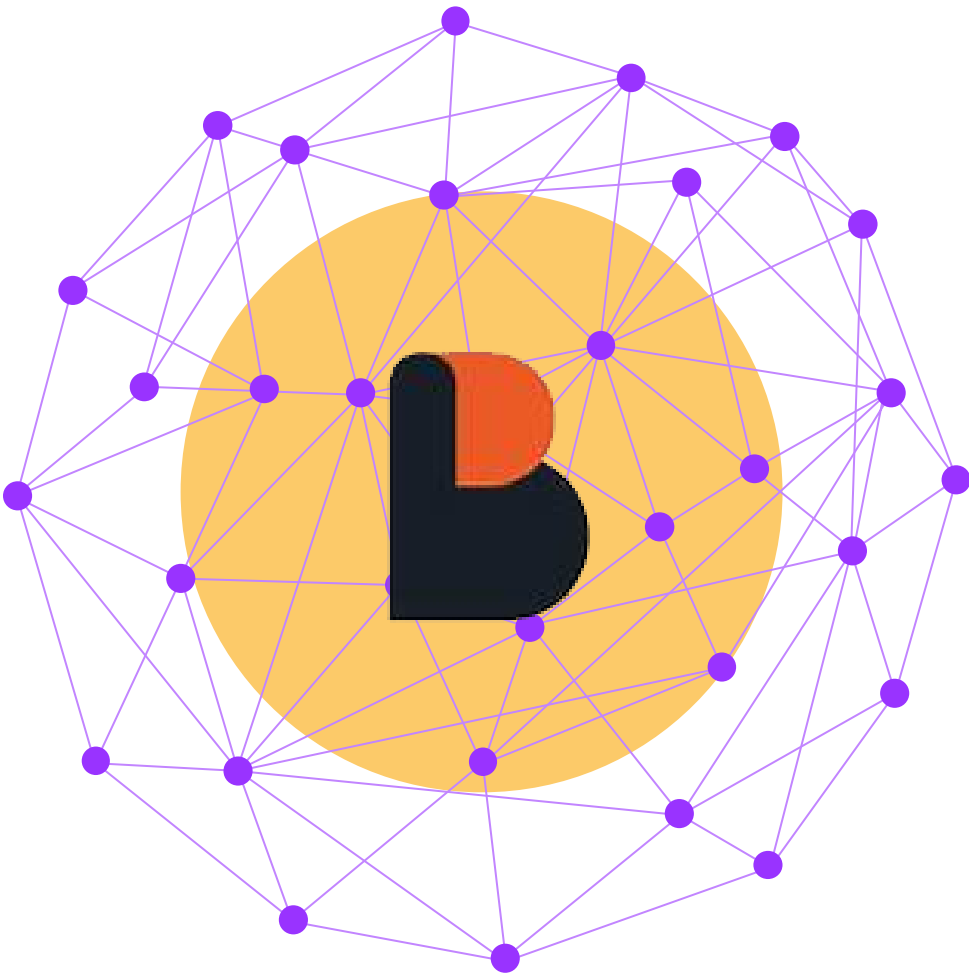

bm

BiCO MEDIA
A UNIT OF BITBY

Creativity & BicoMedia Community

BicoMedia is Social Media Platform for those who wants financial freedom. Which is a unit of **BitBy**

BitBy Strongly Supports Biconomy.

Why?

Biconomy is a multichain relay protocol that aims to improve the user onboarding and transaction experience on decentralized applications (DApps). The project's declared goal is to make web3 products as intuitive and easy to use as web2 products.

BICONOMY IS LISTED ON
ALL TOP CRYPTO EXCHANGES & PORTALS.

Stacking Solution

Global Single Platform

Decentralize Payment Systems

Stacking Benefit : up-to 100% Annual
Stacking Pool Period : 30/60/90 Days.
